GB-0212 Series Ground Buss Bar Kits for Coaxial Cable Grounding Applications

1530 PR C

PRODUCT DESCRIPTION

GB-0212 Series Ground Buss Bar Kits provide a single, versatile solution to create a central ground point at your site. GB-0212 series ground buss bars are manufactured from 1/4" (6.4mm) thick solid copper and incorporate ten 7/16" holes. Ground buss bar kits are available with or without attachment hardware and are also available with a tin plated finish.

TYPICAL APPLICATIONS
