PRODUCT REFERENCE SHEET
Stackable Snap-in Hangers
for Coaxial Cables

PRODUCT DESCRIPTION

The self contained design of the Stackable Snap-in Hangers eliminates the need for mounting hardware while providing a compact solution for supporting coaxial cable. The Stackable Snap-in Hangers can be stacked up to three runs high when using 1/2" and 7/8" coaxial cable, or two runs high when using 1-1/4" and 1-5/8" coaxial cable. Each hanger accommodates one run of coaxial cable. The advanced design of the retention tabs gives the hanger the ability to absorb vibration, making the Stackable Snap-in Hangers resistant to pop-out. This unique design also reduces movement in the runs of coaxial cable, reducing stress on the connections. Stackable Snap-in Hangers are manufactured from stainless steel , ensuring long term integrity over the life of the product in extreme environments including mountain tops, coastal and industrial applications.

TYPICAL APPLICATIONS

Angle Adapter
(Purchased separately)

Mini Cluster Support Bracket
(Purchased separately)

SPECIFICATIONS

STACKABLE SNAP-IN HANGERS			
Part #	Description	Kit Qty.	Stack Height
SH-S12	Stackable Snap-in Hanger for 1/2" Coaxial Cable	Kit of 10	3 Runs
SH-S78	Stackable Snap-in Hanger for 7/8" Coaxial Cable	Kit of 10	3 Runs
SH-S114	Stackable Snap-in Hanger for 1-1/4" Coaxial Cable	Kit of 10	2 Runs
SH-S158	Stackable Snap-in Hanger for 1-5/8" Coaxial Cable	Kit of 10	2 Runs
